10. Student feedback mechanism on Institutional Governance/faculty performance

Every semester student feedback is valued.

11. Grievance redressal mechanism for faculty, staff and students

- The Institution has an open door policy in respect of grievance redressal. The Director is available at all times to look into any problems/issues concerning the faculty. The Institution has laid down policies for the faculty in the “ Faculty Handbook” which is given

to all the faculty members. Grievances are resolved by the Director along with the Registrar.

- YMT College of Management provides a very cordial working environment for the office staff. All the support staff report to the Registrar who addresses their grievances.
- The Institution believes in giving freedom to the students to voice their opinions. All disciplinary issues relating to the students are decided by a Disciplinary Committee consisting of student representatives and faculty members. Students can also voice their opinions in the faculty feedback.

1. A committee has formed to handle student grievances. Members of the committee are:

Consultancy activities:

Brand - Nycil Prickly Heat Powder

Work performed - The company intended to improve the quality of the brand. Three new formulations were tested in various hospitals in Maharashtra and the readings were noted. My job was to suggest the best formulations through appropriate statistical analysis. Accordingly, the statistical analysis was conducted on SPSS packages and the results were delivered to the team of researchers.

Nycil was then relaunched with the improved formulation.

17. Academic Session

Examination system - Semester wise

Period of declaration of results - For even semester the result declared in month of May & for odd semester in the month of January.

18. Counseling / Mentoring:

Mentoring

YMT College has introduced a unique corporate mentoring program wherein 3-4 students are allotted a corporate mentor. These mentors guide the students and help them make a smooth transition from the classroom to the corporate environment. The students also have faculty members as their internal mentors and the dual mentorship has been very successful.

Career Counseling

The Institute has a full fledged placement department with a senior faculty member with vast industry experience heading it. The Institute holds weekly placement skills lectures to help students become more confident. In addition, the Institute also holds technical/16 PF tests which help identify the areas of strength for the students and thereby help them make the right career choice.

Medical Facilities

Since the Institute is part of a foundation which has decades of experience in the areas of Health Sciences, access to quality medical assistance is not a problem. The Campus has a 24 hour emergency ward and students and faculty alike can access free medical assistance.

Student Insurance

All the students of the Institution are covered under a group insurance scheme of Bajaj Allianz Ltd. The insurance cover provides for accident.

19. Students Activity Body

The Institute believes in not only creating good managers but also responsible citizens of the society. In a step towards that, the students are involved in various committees like the sports committee, the estate committee and the academic committee. These committees are managed by the students and are responsible for organizing events, creating awareness etc.

Cultural Activities

The Cultural Committee organizes various cultural events like Street Plays, Synergy, Rangoli Competition, Dandiya, Diwali and Sankranti celebrations etc.

Sports Activities

The Institute offers sports facilities like gymnasium, chess, carom board, table tennis etc. Apart from this students are also encouraged to participate in outdoor games like football, cricket , volleyball etc. Intercollege cricket compition was also organised

Literary Activities

The Academic Committee takes keen interest in involving students in literary activities like participation in debates, quizzes, book review and movie reviews.

Magazine /Newsletter

The monthly newsletter brought out by an editorial team comprising of faculty and students gives an opportunity to the students to display their writing skills, share knowledge and information and also as a means of communication. The newsletter has provided the faculty and students alike a platform to share ideas, achievements and accolades won.

Technical Activities

The College does not believe in the motto "All work and no play ". Students are given ample opportunities to have knowledge with fun. They are encouraged to conduct debates, quizzes and various management games infused with lot of fun creativity and learning. The Students of Computer Sciences from the various colleges allover INDIA participated in large numbers in this Technical fest. The TECH-FEST was a perfect venue where their Computing, Technical & Creative Skills were put to test. The range of events included provided a perfect example of the Holistic Approach of the TECH-FEST.

Industry Visits

Theories and conceptual frameworks are learnt within four walls of classrooms and applied in the industry. Students are quite often taken to several organizations/factories to understand the nuances of industrial practices.

Alumni Activities

The College still in its infancy is proud of its fledgling alumni. The past students have in a very short span of time made an impact in the organizations which they work for. The alumni have formed a strong bonding with the current students and are available for mentorship and counseling at all times
